

Jellyfish - Term 1

Dear Mum and Dad,

This term I will be learning about how God made me, how God made everyone and everything and that God loves me. At Easter time I will learn that Jesus died and rose again.

You can help me learn at home by reminding me when I am playing that God made my clever hands, my jumping feet, my looking eyes, my listening ears. You can remind me when we are outside in the garden, at the park, at the beach that God made the things that I can see and feel and touch and smell.

I will also be learning all year that the Bible is God's special book that teaches us all about him and his son Jesus. A good first Bible for you to read with me at home is The Big Picture interactive Bible Stories for Toddlers (BH kids) or The Beginners Bible (Candle Books).

Two songs that we will sing each week are 'The Best book to Read is the Bible' and 'My God is so Big'.

Starfish - Term 1

Dear Mum and Dad,

This term I will be learning all about how God made everything. This will teach me some big things about God - that he is big, great, powerful, wise and loving, and that because he made everything, everything belongs to him. God is the Boss! I will also be learning that God loves everyone. He loves us so much that he sent Jesus!

You can help me learn at home by reminding me of these things when I am playing, helping me to learn more about God's amazing creation. It would be great to read to me how God made the world from the Bible and stories about his son Jesus. A good first Bible for me to read is The Beginners Bible (candle books). Now that I am bigger and am getting good at remembering lots of things I am going to try and learn two verses from the Bible. You can help me by practicing at home.
