

Stand Firm and trust in Jesus until the end. Luke 21:19

Craft

1. Print the attached sheet.
2. Colour in the word Jesus
3. Put a footprint on either side of the word Jesus. A footprint can be created by tracing around your foot and cutting out that shape and gluing it on or you might like to use paint and create a footprint or I wonder if mud might work.

Worksheet

The Bible also also talks about standing firm in Eph 6. We stand firm by reading God's word, by having faith and by remembering the Salvation that Jesus gives us.

Activity

1. Build a structure using lego or straws or sticks etc and see if you can make it sturdy so that even if someone throws something at it, it will stand firm.
2. Do the cup challenge with your family- You will need a plastic cup. Stand behind a line or at a marker. Reach forward placing one hand on the ground and using your other hand place the cup down as far as you can reach it. Without moving your feet and just lifting your hand straight up, stand up. The person who can place their cup the furthest away is the winner.

Stand firm in Jesus until the end. Luke 21:19
