  - Did they stop God from blessing the Israelites?
  - Can you think of other times from the Bible when people have tried to stop God from keeping his promises? *(lots of people attacked the Israelites and took away their land, people tried to stop Jesus from saying that he was God's Son, people tried to stop Paul from preaching the Gospel etc)*
  - Do you think people are trying to stop God today? How do you think they are doing that?
  - Pray and give thanks that no matter what people try they cannot stop God because God is a big and faithful God.
