

Even when people sin against God he keeps his promises. 2 Kings 17-19

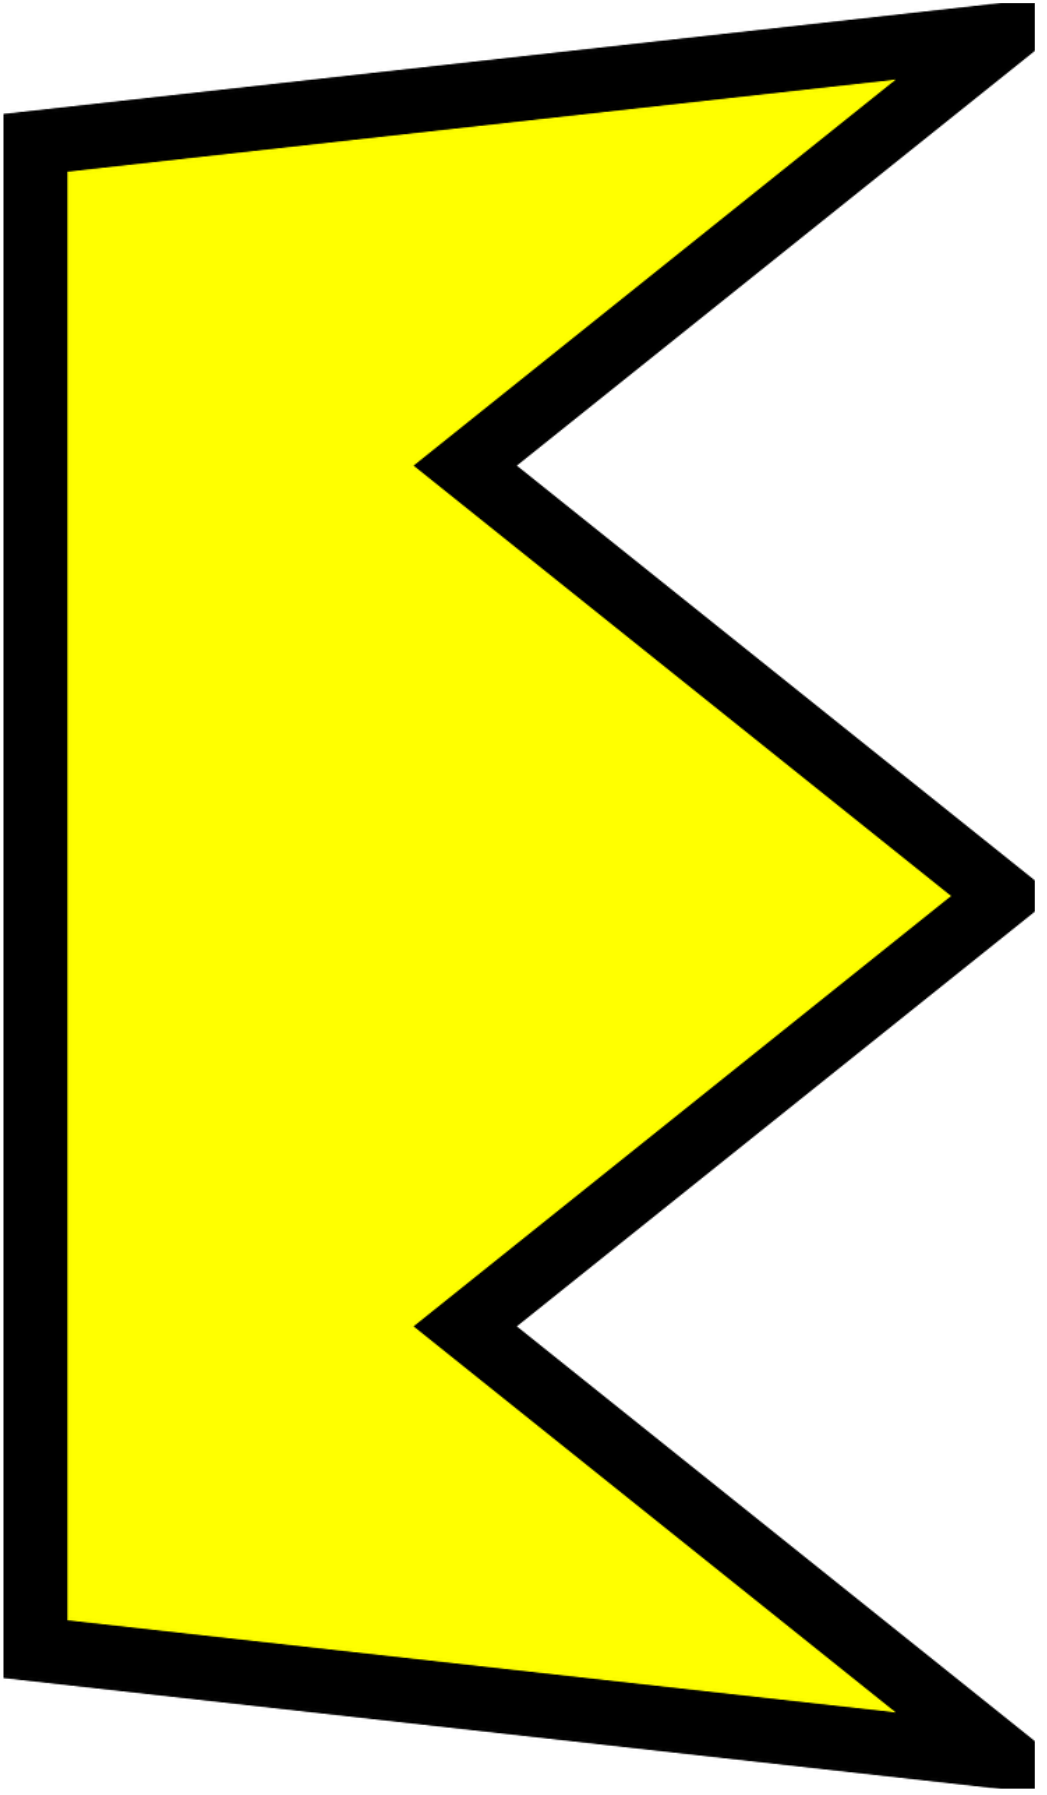

Print a [Colouring In](#) Sheet.

Make a Broken Crown Craft by printing the attached crown. Cut it in half where indicated with line. Write the word Judah on one half and Israel on the other half. Decorate the crown using stickers and glitter etc. (Link- Because of Solomon's sin the Kingdom of Israel was divided. This was bad but it didn't stop God creating his Forever Kingdom as promised.)

Set up an Obstacle Course in your house. Set up obstacles that you need to go over, under, around and through and put a sin sign on each one. Just like the obstacles won't stop you completing the course, the sin of people didn't/doesn't stop God keeping his promises.
