- Game

You will need two balls.

Put a ball on each side of the room.

Start by standing in the middle of the room. Run to the first ball and throw it in the air, the ball will fall from the air and if you catch the ball say “God is faithful”, if the ball falls to the ground say “God will judge sin”. Now run to the other ball and throw it up in the air again..repeating the phrase if you catch or drop the ball. You might want to do this as a relay with your family.

Remember that just as the ball always falls to your hand or to the ground our God is always faithful.

- Family discussion

1. Is God still faithful to his word?
2. Who was exiled to Babylon?
3. Can you think of other ways of how God still keeps his word?
4. Does God still judge sin?
5. Pray and give thanks that good is still faithful to his word, that he does what he says he will do.
