Worksheet- [Colouring page](#)

Craft- <https://craftingthewordofgod.com/category/bible-crafts/ot-crafts/daniel/>

There is a great craft half way down this page called the “Fiery Furnace Hand Spinner”.

Further down the page there is another craft idea called “The Fiery Furnace SunCatcher”

Game

1. Play a game of Musical Statues- Play some music and the children run or dance. When the music stops they freeze. Any child who moves while the music has stopped is out.
2. Shoot 7 basketball hoops (*The Fiery furnace was heated 7 times hotter than usual*)- This game can be done using a basketball hoop or a bucket.
3. Write out the letters of the word Faithful on pieces of paper. Lay them out on the ground. The kids stand at a marked spot and throw a coin or small stone onto each of the letters.

Family Discussion

1. Why did Shadrach, Meshach and Abednego get put in the fiery furnace?
2. Did they know that God would save them? (v17,18)
3. Who are God’s people? (People who trust in Jesus)
4. Are you one of God’s people?
5. Can you think of ways that God is faithful and good to us (his people)?
