Activity

Have some cards/ squares of paper. Underneath some, draw x crosses, and on others draw the cross of Christ. Have one card that says God. Lay out the cards between the Starting point and the God card. The player steps on one card. They lift it up to see what's on the bottom. If it is the cross of Jesus they jump to another card. The aim of the game is to get to the God card via the cross of Jesus cards. If they stand on an X cross they have to do 10 star jumps before progressing.
