

Study: *What was your favourite part of the talk?*

1. Can you sum up the talk in 1 sentence?
 2. What did we learn about the Gospel?
 3. What difference does this make to our lives?

Study to do with parents:

Read Romans 1:1-7

1. From these verses, what do we learn about the Gospel? (*it was promised in the OT, it's about Jesus and what Jesus did, it leads to faith in God and obedience to God*)
2. From these verses, what do we learn about Jesus? (*descended from King David, is the Son of God, we also see in v7 that the Romans are loved by God and called to be God's people - gospel people are the true nation of "Israel" ie gospel people are the true people of God!*)
3. From your own brains, why are these things important?

Pray: Thank God that Jesus brings the Gospel which makes us right with God!
