(The Rich Young ruler - Mark 10:17-27 was a man who thought he could become right with God by his own efforts. Jesus taught him that he could not. He needed a gift from God)

Craft

Give the children a variety of objects and allow them to create their own sculpture. At EV Kids we will use sections of Pool Noodles, sticky tape, paddle pop sticks, straws, material, wool etc. Make a sign to attach to the sculpture- “We can do lots of things on our own but we cannot become righteous on our own. Rom 3”

Family Discussion

1. What does righteousness mean?
2. Without Jesus how many people are righteous? V 10
3. What kind of things do people try to make God think that they are living the right way?
4. If someone isn't trusting in Jesus is there anything that they can do to make themselves righteous? Why not?
