

Study: *What was your favourite part of the talk?*

1. Can you sum up the talk in 1 sentence?
 2. What did we learn about the Gospel?
 3. What difference should this make to our lives?

Study to do with parents:

Read Romans 3:10 - 20

1. From these verses, what do we learn about the human beings? (*we sin, which means we reject God*)
2. Look at verse 20, what are we told? Can we make ourselves right with God?
3. How should this make us feel? Do you realise how big a deal sin is?
4. Have a look at verses 21-22. What hope do these verses give us?

Pray: Thank God that even though we all sin and reject God, God has made away for us right with him.
