### Family Discussion

1. What is righteousness?
2. In v 23 Paul reminds us how many people have righteousness by their own efforts. How many people is that?
3. In v 22 we are told the only way that sinful people can be righteous. What does v 22 say?
4. In v 25 it says Jesus was a sacrifice of atonement? What do you think that means? (Jesus was sacrificed, he took the punishment of sin so that people who believe in him could be at one with God. If you are at one with someone your relationship is working perfectly)
5. Has God given you righteousness? How do you know he has done that?
