

Week- 7

Main point: If we go through suffering it is for our good.

- **Pray:** Ask God to help you concentrate and understand the passage.

Read: Romans chapter 8:28-30

Do you know the EV kids song for this verse- can you sing it.

Understand:

- 1) Who is Paul talking about in these verses, Christians or non Christians? What from the passage makes you think that?
- 2) Write a list or brainstorm together all the words you don't know. Ask a parent or leader what those words mean.
- 3) In all things, whether in fun happy times or sad and hard times if you are a Christian what can we know God is doing?
- 4) What do you think the good is that God is doing in our lives? (hint: vs 29)

Liveout:

- 5) How does it make you feel knowing that God is always working for your good always?
 - 6) Think of times in the past or some examples of situations that you may find it hard to remember that God is working for your good?
 - 7) Do you love God? How can you deepen your love for him?
- **Pray:** thank God for his love and Ask God that he would help you to remember that he is always working for your good.
