Craft

Revision Craft

1. Print both pages of craft.
2. The children draw a picture in each of the boxes on the first page that reminds them of the narrative that we read each week - Jesus' baptism, Jesus calms the storm, Jesus heals the blind man, Jesus on donkey, passover meal and Rich Young Ruler.
3. Use a stanley knife to cut three sides of the squares on the front page. This will enable the window to open so that the kids can see what is underneath.
4. Glue around the edges of the second sheet and glue the first sheet on top.

Family Discussion

1. What did you learn from the Bible time today?
2. Who went to see Jesus? What question did he ask Jesus?
3. Jesus told the man to give away all his money because he wanted to teach the man something? What did he want the man to learn? (That he didn't love Jesus most of all. The man loved his money more than Jesus)
4. Why is it impossible for people to get eternal life on their own?
5. What is the only way that it is possible for people to get eternal life? Why is that the only way?
