

Toddlers (Jellyfish) Term 3 Program Outline

Dear Parents,

Welcome to Term 3 in Jellyfish.

We are starting this term learning about prayer. We will also continue to learn lots of big important things about God's character.

There are lots of things that you can do to help me learn to pray. Saying thank you at mealtimes and praying with me before I go to sleep and throughout the day if I am feeling sad or sick or worried. Helping me to say sorry when I do the wrong thing and thanking God too when I am happy and for the good things that he gives me. One simple thing that will help me to think of things to pray for, is to make a book with me of pictures of things that I can thank God for and photos of people in my life that I could pray for.

18th July	God helps us to be happy.
25th	We can talk to God.
1st Aug	God hears us when we talk to him.
8th	Thanking God.
15th	God wants us to say 'Sorry' to him.
22nd	God hears. (Revision)
29th	God is everywhere.
5th Sept	God made everything.
12th	God can do anything.
19th	God loves everyone.
26th	God is very important.
3rd Oct	The Best book to read is the Bible.

I will also be learning all year that the Bible is God's special book that teaches us all about him and his son Jesus. Some good first Bibles for you to read with me at home are the One Big Story - Bible stories for Toddlers (Old and New Testament) and The Beginners Bible (Candle Books).

Two songs that we will sing each week are 'The Best book to Read is the Bible' and 'My God is so Big'.

If you have any questions this term you can talk to my teachers or to Jo jo.hill@evchurch.info.
