### Worksheet

#### [Colouring](#)

### Activities

#### Foot craft

Print the sheet at the end of the lesson and get the kids to trace around their own feet on the sheet and then decorate.

#### Sailor Hats

1. Use a sheet of newspaper.
2. Fold the newspaper in half down the natural fold.
3. Turn the sheet so that the fold is at the top.
4. Fold both top corners to the middle so they meet. This will form a point (the top of the hat)
5. Pick up the bottom flap of the top sheet only and fold up.
6. Turn the hat over and repeat.
